

PETERCHURCH PARISH COUNCIL

Peterchurch Village Hall

Dear Parents

As members of the Covid-19 Community Response Team in Peterchurch - comprising The Hub at St Peter's, the Parish Council and Peterchurch Village Hall - we are writing to encourage you and your families to record your thoughts, emotions, hopes and fears during this period of social distancing, self-isolation and more.

We are living through unusual and very challenging times, yet this is an opportunity for us to highlight the imagination, compassion, creativity and resilience of our community. We would like to invite people to produce drawings, paintings, photos, poems, prose, collages and textiles, and to share their thoughts and reflections in whichever way they choose. Contributions will make up an exhibition entitled PETERCHURCH UNLOCKED which will open at The Hub when lockdown has ended and the Hub Café reopens. Please see the attached poster or visit our website www.hubcommunity.org for more information.

We recognise that much good has come out of this crisis, insofar as people have reconnected with their locality and used the lockdown as a means of reaching out to friends and family.

Nonetheless, many people within our community have suffered hardship, some are coming to terms with the loss of a loved one, whilst others are trying to find a way through unemployment to build themselves a new future. We are exploring ways in which we can join together to process our experiences and support each other. Please also keep an eye on The Hub's website for more information about THE COMMUNITY CONVERSATION AND REFLECTIVE RAMBLE which is planned for later in the year.

With our good wishes at this challenging time.

Yours sincerely

Revd. Simon Lockett & Brendan Treanor
St Peter's Church Parish Councillor & Chair of Peterchurch Village Hall

PETERCHURCH
UNLOCKED

We'd like to invite people within our community to answer any - or all - of the following questions as creatively as possible...using photos, paint, poetry, prose and more!

**What have you missed most in lockdown?
What will you remember most about lockdown?**

**Where would you like to go when it's over?
How can we live differently in the future?**

The PETERCHURCH UNLOCKED exhibition will take place at The Hub at St Peter's in Peterchurch when The Hub Café reopens. Visit www.hubcommunity.org for more information.
